Transportation Improvements

Eligible roadway improvements include, but are not limited to: acquisition of land and easements; roadway design; project management; bridge crossings and culverts; clearing, grubbing, and demolition; grading, soil import/export, paving (including slurry seal), and decorative/enhanced pavement concrete and/or pavers; joint trenches, underground utilities and undergrounding of existing utilities; dry utilities and appurtenances; curbs, gutters, sidewalks, bike trails (including onsite and off-site), enhanced fencing, and access ramps; street lights, signalization, and traffic signal control systems; bus turnouts; signs and striping; erosion control; median and parkway landscaping and irrigation; entry monumentation; bus shelters, bus and transit improvements including transfer stations and regional public transit improvements; masonry walls; traffic control and agency fees; and other improvements related thereto. Eligible improvements for the roads listed herein also include any and all necessary underground potable and recycled water, sanitary sewer, and storm drainage system improvements.

Water System Improvements

Authorized facilities include any and all water facilities designed to meet the needs of development within the CFD. These facilities include, but may not be limited to: water storage, treatment and distribution facilities including waterlines and appurtenances, gate valves, pressure reducing stations, flow meters, fire hydrants, and other improvements related thereto such as site clearing, grading and paving; curbs and gutters; booster pump stations & power; stand-by generators; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates, and fencing; and striping and signage.

Recycled Water System Improvements

Authorized facilities include any and all recycled water system facilities designed to meet the needs of development within the CFD. These facilities include, but may not be limited to: treatment and distribution facilities including pipelines and appurtenances, gate valves, flow meters, booster pump pressurization system, and other improvements related thereto - such as site clearing, grading and paving; curbs and gutters; booster pump stations; stand-by generators; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates, and fencing; and striping and signage.

Drainage System Improvements

Authorized facilities include any and all drainage and storm drain improvements designed to meet the needs of development within the CFD. These facilities include, but may not be limited to: excavation and grading, pipelines and appurtenances, outfalls and water quality measures, detention/retention basins, drainage pretreatment facilities, drainage ways/channels, pump stations, landscaping and irrigation; access roads, gates, and fencing; and striping and signage and

other improvements related thereto.

Wastewater System Improvements

Authorized facilities include any and all wastewater facilities designed to meet the needs of development within the CFD. These facilities include, but may not be limited to, pipelines and all appurtenances thereto; manholes; tie-in to existing main lines; force mains; lift stations; upgrades to existing lift stations; odor-control facilities; and permitting related thereto; and related sewer system improvements.

Park, Parkway and Open Space Improvements

Authorized facilities include any and all improvements to parks, parkways and open space required for development within the CFD. These facilities include, but may not be limited to: grading, turf, shrubs and trees, landscaping irrigation, site lighting, drainage, sanitary sewer and water service, pedestrian and bicycle trails, protective fencing (including soundwalls), pedestrian/bicycle bridges, storm drain crossings, wetland mitigation, hawk mitigation for authorized facilities herein, access gates and fencing and related open space improvements. Authorized facilities include acquisition of any and all parkland as well as open space/bike trail/public access easements required for development within the CFD.

Electrical System Improvements

Authorized facilities include any and all electrical supply and distribution facilities designed to meet the needs of development within the CFD. These facilities include, but may not be limited to: design, distribution lines, vaults, conduit, trenching, transformers and installation of cabling.

School and Educational Facilities

Authorized facilities include classroom renovation, updates to school safety and security systems, technology improvements, energy efficiency improvements, school modernization and retrofitting, and new classroom and school construction as required for development within the CFD.

Other Public Improvements

Authorized facilities include any and all public facilities and infrastructure designed to meet the needs of development within the CFD. These facilities include, but may not be limited to: community center facilities, library facilities, police facilities, fire suppression and response facilities, other public safety facilities, corporation yards, municipal service centers, public parking garages, and other public buildings.

Fees and Charges

Authorized facilities include the direct funding of any of the above referenced facility types for which the Local Agency collects a development impact fee, capacity charge, fair share contribution, or other development-related fee.

Other Incidental Expenses and Bond Issuance Costs

In addition to the above facilities, other incidental expenses as authorized by the Mello-Roos Community Facilities Act of 1982, including, but not limited to, the cost of planning and designing the facilities (including the cost of environmental evaluation, remediation and mitigation); engineering and surveying; construction staking; utility relocation and demolition costs incidental to the construction of the public facilities; costs of project/construction management; costs (including the costs of legal services) associated with the formation of the CFD; issuance of bonds (if any); determination of the amount of taxes; collection of taxes; payment of taxes; costs of calculating and providing reimbursements from one-time special tax payments; or costs otherwise incurred in order to carry out the authorized purposes of the CFD; and any other expenses incidental to the formation and implementation of the CFD and to the construction, completion, inspection and acquisition of the authorized facilities.
