## HERCULEAN MILE AWARD

### COMMUNITY WINNER:

#### CONNIE VAN PUTTEN

I'm honored to have been selected as the Community Member awardee for the Herculean Mile. My husband and I have lived in Hercules for 37 years and love being a part of this community. I retired

from active Policing in December of 2000. In August of 2001 I started as a civilian volunteering for HPD. In March of 2002, I was selected as a Police Reserve. I loved working every assignment, but I especially enjoy serving as the Public Information Officer for the past 12 years. I am proud to work alongside the fine men and women of the Hercules Police Department.

### EMPLOYEE WINNER

#### VERGEL (MARK) BOTIN

I am honored to be recognized as a Herculean Mile Award Winner! I have dedicated the past 17+ years to the City of Hercules Public Works Department and to the members of this wonderful community. It has been my

pleasure providing quality service during my tenure here. While I am not originally from this city, or this country, I feel blessed to be embraced by everyone, and I feel like a native Herculean. I'd like to thank my coworkers and City staff for everything that you all do. There is no "I" in Team, and I could not be where I am now without all your help and support along the way.
