## November Programs Review

### Titan TUNESday, Tuesday December 16, (64 concertgoers)

We are incredibly thankful to Herculean Mile Award Winner, and Hercules High band maestro, Arleen Wong, for bringing the music to Hercules Library for the holiday season. Titan TUNESdays are an effort by the Community Music Club of Hercules High, an after-school volunteer group who practice and delight us with evenings of music at the library. This semester, due to complications from the teacher's union strike, the teens weren't able to get together to practice their holiday music – but Arleen Wong didn't let that stop the music! Arleen corralled two of HHS's small bands, the "Jaspers" and "Miso Soup" and a vocal soloist, to treat us to an evening of holiday music, perfect for the season. We appreciate all that Arleen and the students do for the community, and look forward to more music in 2026!

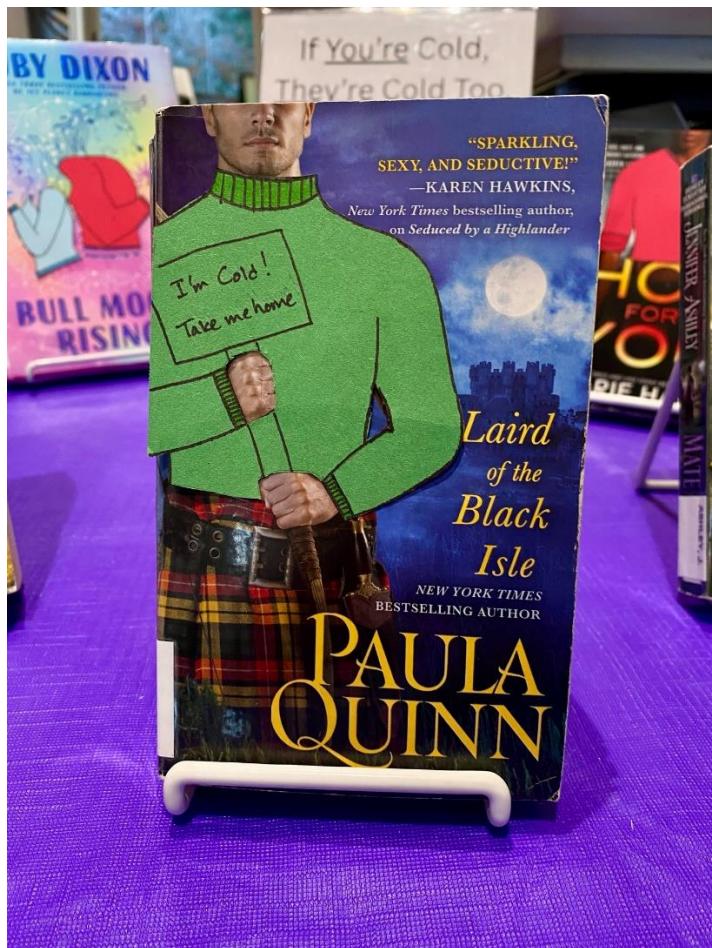

### Holiday at the Library

December is a month light on programs, as we wind down the year and keep the library warm and cozy for folks looking for a quiet place to study, or read that book they've been eyeing all year. We held our ongoing programs - storytimes, play pals, Meditation, LEGOs and Chess Club, and hosted our annual NOON Year's Eve dance party for the kiddos – over 200 children and families came out to celebrate!

And we shared our annual wish tree, a popular ray of light where anyone can write their wishes for the new year:

Plus a bit of bookish fun for adults looking for a read on those long winter nights. Extra cheers to Lydia, who hand “sewed” sweaters and scarves for all these chilly bodice rippers!
