be acquired from the Developer.

G. The parties anticipate that, upon completion of the Acquisition Improvements and subject to the terms and conditions of this Agreement, the Local Agency will acquire such completed Acquisition Improvements with the Available Amount.

H. Any and all monetary obligations of the Local Agency arising out of this Agreement are the special and limited obligations of the Local Agency payable only from the Available Amount, and no other funds whatsoever of the Local Agency shall be obligated therefor.

I. Attached to this Agreement are Exhibit A (*Acquisition Improvements and the Eligible Portions thereof*) and Exhibit B (*Form of Requisition*), which are incorporated into this Agreement for all purposes.

In consideration of Recitals A through I, inclusive, and the mutual covenants, undertakings and obligations set forth below, the Local Agency and the Developer agree as stated below.

## ARTICLE II

### DESIGN, CONSTRUCTION AND ACQUISITION OF ACQUISITION IMPROVEMENTS

Section 2.01. Letting and Administering Design Contracts. The parties presently anticipate that the Developer has awarded and administered or will award and administer engineering design contracts for the Acquisition Improvements to be acquired from Developer. All eligible expenditures of the Developer for design engineering and related costs in connection with the Acquisition Improvements (whether as an advance to the Local Agency or directly to the design consultant) shall be reimbursed at the time of acquisition of such Acquisition Improvements. The Developer shall be entitled to reimbursement for any design costs of the Acquisition Improvements only out of the Acquisition Price as provided in Section 2.03 and shall not be entitled to any payment for design costs independent of or prior to the acquisition of Acquisition Improvements.

Section 2.02. Letting and Administration of Construction Contracts; Indemnification. State law requires that all Acquisition Improvements not completed prior to the formation of the District shall be constructed as if they were constructed under the direction and supervision, or under the authority, of the Local Agency. In order to assure compliance with those provisions, except for any contracts entered into prior to the date hereof, Developer agrees to comply with any applicable requirements of the Local Agency with respect to the bidding and

contracting for the construction of the Acquisition Improvements. The Developer agrees that all the contracts shall call for payment of prevailing wages as required by the Labor Code of the State of California. The Developer's indemnification obligation set forth in Section 3.01 of this Agreement shall also apply to any alleged failure to comply with the requirements of this Section, and/or applicable State laws regarding public contracting and prevailing wages.

Section 2.03. Sale of Acquisition Improvements. The Developer agrees to sell to the Local Agency each Acquisition Improvement to be constructed by Developer (including any rights-of-way or other easements necessary for the Acquisition Improvements, to the extent not already publicly owned), when the Acquisition Improvement has been constructed and is complete to the satisfaction of the Local Agency for an amount not to exceed the lesser of (i) the Available Amount or (ii) the Actual Cost of the Acquisition Improvement. Exhibit A, attached hereto and incorporated herein, contains a list of the Acquisition Improvements. Portions of an Acquisition Improvement eligible for Installment Payments prior to completion of the entire Acquisition Improvement are described as eligible, discrete and usable portions in Exhibit A (each, an "Eligible Portion"). At the time of completion of each Acquisition Improvement, or Eligible Portion thereof, the Developer shall deliver to the Local Agency Engineer a written request for acquisition, accompanied by an Actual Cost Certificate, and by executed Title Documents for the transfer of the Acquisition Improvement where necessary. In the event that the Local Agency Engineer finds that the supporting paperwork submitted by the Developer fails to demonstrate the required relationship between the subject Actual Cost and eligible work, the Local Agency Engineer shall advise the Developer that the determination of the Actual Cost (or the ineligible portion thereof) has been disallowed and shall request further documentation from the Developer. If the further documentation is still not adequate, the Local Agency Engineer may revise the Actual Cost Certificate to delete any disallowed items and the determination shall be final and conclusive.

Certain soft costs for the Acquisition Improvements, such as civil engineering, may have been incurred pursuant to single contracts that include work relating also to the private portions of the Project. In those instances, the total costs under such contracts will be allocated to each Acquisition Improvement as approved by the Local Agency Engineer. Where a specific contract has been awarded for design or engineering work relating solely to an Acquisition Improvement, one hundred percent (100%) of the costs under the contract will be allocated to that Acquisition Improvement. Amounts allocated to an Acquisition Improvement will be further allocated among the Eligible Portions of that Acquisition Improvement, if any, in the same proportion as the amount to be reimbursed for hard costs for each Eligible Portion bears to the amount to be reimbursed for hard costs for the entire Acquisition Improvement. Costs will be allocated to each Acquisition Improvement as approved by the Local Agency Engineer. The costs of certain environmental mitigation required to mitigate impacts of the public and private portions of the Project will be allocated to each Acquisition Improvement as approved by the Local Agency Engineer.

In the event that the Actual Cost is in excess of the Available Amount, the Local Agency shall withdraw the Available Amount from the Acquisition and Construction Fund and transfer said amount to the Developer. In the event that the Actual Cost is less than the Available Amount, the Local Agency shall withdraw an amount from the Acquisition and Construction Fund equal to the Actual Cost, and shall transfer said amount to the Developer. Any amounts then remaining in the Acquisition and Construction Fund shall be applied as provided in Section 1.03.

In no event shall the Local Agency be required to pay the Developer more than the amount on deposit in the Acquisition and Construction Fund at the time such payment is requested.

Section 2.04. Conditions Precedent to Payment of Acquisition Price. Payment to the Developer or its designee of the Acquisition Price for an Acquisition Improvement from the Acquisition and Construction Fund shall in every case be conditioned first upon the determination of the Local Agency Engineer, pursuant to Section 2.03, that the Acquisition Improvement satisfies all Local Agency regulations and ordinances and is otherwise complete and ready for acceptance by the Local Agency, and shall be further conditioned upon satisfaction of the following additional conditions precedent:

(a) The Developer shall have provided the Local Agency with lien releases or other similar documentation satisfactory to the Local Agency Engineer as evidence that none of the property (including any rights-of-way or other easements necessary for the operation and maintenance of the Acquisition Improvement, to the extent not already publicly owned) comprising the Acquisition Improvement, and the property which is subject to the [assessments/Special Taxes] of the District, is not subject to any prospective mechanics lien claim respecting the Acquisition Improvements.

(b) All due and payable property taxes, and installments of [assessments/Special Taxes] shall be current on property owned by the Developer or under option to the Developer that is subject to the lien of the District.

(c) The Developer shall certify that it is not in default with respect to any loan secured by any interest in the Project.

(d) The Developer shall have provided the Local Agency with Title Documents needed to provide the Local Agency with title to the site, right-of-way, or easement upon which the subject Acquisition Improvements are situated. All such Title Documents shall be in a form acceptable to the Local Agency (or applicable governmental agency) and shall convey Acceptable Title. The Developer shall provide a policy of title insurance as of the date of transfer in a form acceptable to the Local Agency Engineer insuring the Local Agency as to the interests acquired in connection with the acquisition of any interest for which such a policy of title insurance is not required by another agreement between the Local Agency and the Developer. Each title insurance policy required hereunder shall be in the amount equal to or greater than the Acquisition Price.

Section 2.05. SCIP Requisition. Upon a determination by the Local Agency Engineer to pay the Acquisition Price of the Acquisition Improvements pursuant to Section 2.04, the Local Agency Engineer shall cause a SCIP Requisition to be submitted to the Program Administrator. The Program Administrator will review the SCIP Requisition and forward it with instructions to the Authority Trustee and the Authority Trustee shall make payment directly to the Developer of such amount pursuant to the Authority Trust Agreement. The Local Agency and the Developer acknowledge and agree that the Authority Trustee shall make payment strictly in accordance with the SCIP Requisition and shall not be required to determine whether or not the Acquisition Improvements have been completed or what the Actual Costs may be with respect to such Acquisition Improvements. The Authority Trustee shall be entitled to rely on the SCIP Requisition on its face without any further duty of investigation.

## ARTICLE III

### MISCELLANEOUS

Section 3.01. Indemnification and Hold Harmless. The Developer hereby assumes the defense of, and indemnifies and saves harmless the Local Agency, the Authority, and each of its respective officers, directors, employees and agents, from and against all actions, damages, claims, losses or expenses of every type and description to which they may be subjected or put, by reason of, or resulting from or alleged to have resulted from the acts or omissions of the Developer or its agents and employees in the performance of this Agreement, or arising out of any contract for the design, engineering and construction of the Acquisition Improvements or arising out of any alleged misstatements of fact or alleged omission of a material fact made by the Developer, its officers, directors, employees or agents to the Authority's underwriter, financial advisor, appraiser, district engineer or bond counsel or regarding the Developer, its proposed developments, its property ownership and its contractual arrangements contained in the official statement relating to the SCIP financing (provided that the Developer shall have been furnished a copy of such official statement and shall not have objected thereto); and provided, further, that nothing in this Section 3.01 shall limit in any manner the Local Agency's rights against any of the Developer's architects, engineers, contractors or other consultants. Except as set forth in this Section 3.01, no provision of this Agreement shall in any way limit the extent of the responsibility of the Developer for payment of damages resulting from the operations of the Developer, its agents and employees. Nothing in this Section 3.01 shall be understood or construed to mean that the Developer agrees to indemnify the Local Agency, the Authority or any of its respective officers, directors, employees or agents, for any negligent or wrongful acts or omissions to act of the Local Agency, Authority, its officers, employees, agents or any consultants or contractors.

Section 3.02. Audit. The Local Agency shall have the right, during normal business hours and upon the giving of ten days' written notice to the Developer, to review all books and records of the Developer pertaining to costs and expenses incurred by the Developer (for which the Developer seeks reimbursement) in constructing the Acquisition Improvements.

Section 3.03. Cooperation. The Local Agency and the Developer agree to cooperate with respect to the completion of the SCIP financing for the Acquisition Improvements. The Local Agency and the Developer agree to meet in good faith to resolve any differences on future matters which are not specifically covered by this Agreement.

Section 3.04. General Standard of Reasonableness. Any provision of this Agreement which requires the consent, approval or acceptance of either party hereto or any of their respective employees, officers or agents shall be deemed to require that such consent, approval or acceptance not be unreasonably withheld or delayed, unless such provision expressly incorporates a different standard. The foregoing provision shall not apply to provisions in the Agreement which provide for decisions to be in the sole discretion of the party making the decision.

Section 3.05. Third Party Beneficiaries. The Authority and its officers, employees, agents or any consultants or contractors are expressly deemed third party beneficiaries of this Agreement with respect to the provisions of Section 3.01. It is expressly agreed that, except for the Authority with respect to the provisions of Section 3.01, there are no third party

beneficiaries of this Agreement, including without limitation any owners of bonds, any of the Local Agency's or the Developer's contractors for the Acquisition Improvements and any of the Local Agency's, the Authority's or the Developer's agents and employees.

Section 3.06. Conflict with Other Agreements. Nothing contained herein shall be construed as releasing the Developer or the Local Agency from any condition of development or requirement imposed by any other agreement between the Local Agency and the Developer, and, in the event of a conflicting provision, such other agreement shall prevail unless such conflicting provision is specifically waived or modified in writing by the Local Agency and the Developer.

Section 3.07. Notices. All invoices for payment, reports, other communication and notices relating to this Agreement shall be delivered (via mail or electronic mail) to:

If to the Local Agency:

City of Hercules

[Email to come]

Either party may change its address by giving notice in writing to the other party.

Section 3.08. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent reasonably possible.

Section 3.09. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

Section 3.10. Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement.

Section 3.11. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

Section 3.12. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original.

Section 3.13. Successors and Assigns. This Agreement is binding upon the heirs, assigns and successors-in-interest of the parties hereto. The Developer may not assign its rights or obligations hereunder, except to successors-in-interest to the property within the District, without the prior written consent of the Local Agency.

Section 3.14. Remedies in General. It is acknowledged by the parties that the Local Agency would not have entered into this Agreement if it were to be liable in damages under or with respect to this Agreement or the application thereof, other than for the payment to the Developer of any (i) moneys owing to the Developer hereunder, or (ii) moneys paid by the Developer pursuant to the provisions hereof which are misappropriated or improperly obtained, withheld or applied by the Local Agency.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that the Local Agency shall not be liable in damages to the Developer, or to any assignee or transferee of the Developer other than for the payments to the Developer specified in the preceding paragraph.
