  management with your oversight are presented fairly, in all material respects, in accordance with accounting
  principles generally accepted in the United States of America
- Our responsibility is to plan and perform the audit to obtain "reasonable" assurance (not "absolute" assurance) about whether the financial statements are free of material misstatements.
- Exercise professional judgment and maintain professional skepticism throughout the audit.
- We considered internal control over financial reporting. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.
