CITY OF HERCULES
PARKS & RECREATION MONTHLY REPORT
May 2025

Project/Program: Hanna/Lupine/Ohlone Childcare & Summer Day Camps
Lead Staff: Ambra Garfield, Recreation Manager

Description: Childcare and Camps are extremely popular in Hercules including options Before school = Dyno AM, After school = Kaleidoscope Kidz (RAP), and Camps = Camp Dynamite.

Camp Dynamite: Our traditional summer camp program that runs M-Th for the 9 weeks of summer, and features games, cooking, arts and crafts, weekly themes, swimming, and more. In 2021, coming out of the pandemic we averaged between 75-85 campers/week. In 2022, the average went up to 115/week; 2023, camp averaged 120/week; and 2024, camp averaged 150/week.

Status: Summer Camp registration opens in March with the launch of our Summer Guide. Revenue for camp will vary annually due to when payments are collected. For example, if more families make payments March thru June, the current year numbers will look higher. Conversely, if more revenue is collected in July-August, the camp revenue will be lower. The greatest barometer is to look at the total number of registered campers.

Through May, camp revenue is **\$216,504.21**, compared to \$216,866.24 last year at the same time. The month of May brought in **\$23,151.23**, compared to \$22,162.25 last year at the same time.

Accomplishments/Items in Progress:

- March: Prep for Spring Break camp. Registrations are currently being accepted.
- February: Successful President's week (2/18-2/21) with 35 campers.
- 2024 Summer Camps: 9 weeks - held at Lupine for Sparklers; Ohlone for Firecrackers; and Hanna held the Dynamite campers. Camp featured weekly entertainment, field trips, games, cooking, arts and crafts, weekly themes, & more. Prep for 2025 is underway.

Kaleidoscope Kidz is our **Recreation Afterschool Program** (or what we call **RAP** for short). The focus of RAP is about homework and stations. RAP focuses on monthly themes featuring a combination of arts and crafts, science, cooking, passive and active games and more. RAP is held at all 3 elementary sites. Staffing continues to be a challenge, but numbers are up at all 3 sites.

Status: In May, Child Care programs brought in **\$47,085.70**, compared to \$71,153.00 the previous year. And year to date **\$694,356.31**, compared to \$529,117.43 last year at this time.

RAP	Enrollment	Space Available	RAP	Enrollment	Space Available
Hanna	64	6	Ohlone	56	2
Lupine	49	7			169 Total

Accomplishments/Items in Progress:

- February 28, 2025: Summer guides arrived. Featuring Summer programs and fall registration which will begin April 1, for the 2025-26 school year.
- October 16, 2024: celebrated Unity Day by wearing orange. Anti-bullying campaign.

CITY OF HERCULES
PARKS & RECREATION MONTHLY REPORT
May 2025

- August 2024: has become one of our largest months for enrollment and revenue and we anticipate the same thing this year. The fluctuations annually are due to the timing of payments, as well as which option is being paid. Last year we had more families opt for the 2 payments plan (one before school began, and the other at the start of the new year). This year, the monthly payment plan has been more popular.

Dyno AM (previously Breakfast Club/Early Bird): Traditionally morning care has not generated enough interest this year. Morning care hours are offered (6:30am). The post pandemic trend is continuing with more parents working from home, and subsequently not needing the early morning care option. As always, we will continue to watch the trends and work to create programs that best meet the needs of the community.

Status: Not running this Fall.

Project/Program: Tiny Tots Programs-Little Learners/Pre-Kinder/Jr. Kinder/Multi-Age
Lead Staff: Ambra Garfield, Recreation Manager

Our qualified staff guide them with socialization and self-help skills. The program runs concurrently with the school year from late August through June. The big news is that Tiny Tots is now inside the Teen Center for this school year.

Status: Through May, the Tiny Tot Programs brought in **\$3,020.03**, compared to \$12,531.00 through the same time last year. Preschool continues to trend down due to the growth of TK programs. However, numbers for our RAP program have increased.

****Note:** Registration for Preschool has been dramatically affected due to the mandate for elementary schools to start Transitional Kindergarten (or TK). This is our new normal.*
