* Data from EdData.org

Does WCCUSD Leave on the Table?

- **Student chronic absenteeism is a significant problem.**
 - **Increase attendance by 2% and increase revenue by \$7.5M**
- **Teacher chronic absenteeism is a serious problem.**
 - **Increasing teacher attendance would save millions**

We Are Losing the Battle of Choice

- **1562 students came back to our community but chose charters.**
- **That is \$20.7M in revenue that CHOSE charters over district schools.**

To win the battle of choice.

We must become worthy of their choice.

Demand these 5 things:

- **We must recruit, select, train and support extraordinary principals.**
- **Provide job-embedded, meaningful professional development and collaboration time to passionate and competent teachers**
- **Invest in best in class, standards-based, on grade-level curricula**
- **Become extraordinary at parent engagement and support**
- **Build safe, welcoming, loving, and supportive school cultures**
