July 14, 2020

Dear DA and Grand Jury of Contra Costa:

cc, City Clerk for Public Comment

I am attaching the following statement to request to prosecute the involved parties for Consumer Fraud and embezzling and conspiring to inflict mental harm and financial abuse by conspiring parties involving Judy Yamamoto, Judy Soriano, with "new Criminal Complaint." And I retained an attorney because this was only getting worsened and hurting my health, and their intention is orchestrated and premeditated conspiracy to falsely claim on the ownership of my business while posting a derogatory and Illegitimate posting "Public Comment on Pil Orbison Lawsuits" that has already been disputed and it was expired on the Vexatious Litigant filed and ordered after they mutilated and altered court records used to claim on Pil Lee Orbison's business documents that are lodged in the former city Manager and Park Director with which David Biggs has been stealing money and converting to cause financial and mental abuse while maintains his contract with new promotional job which needs to be rescinded with this repeatedly submitted emails as Public Comments for Virtual city council meeting where public attendance is set to discourage.

Judy Yamamoto, aka. Judy Soriano's "new" Criminal complaint is groundless, and my attorney will file a criminal complaint to cease and desist Judy Yamamoto, aka. Judy Soriano's patterns including, but not limited to, ID theft with internet emails passwords altercations to disseminate and remove her ID Theft criminal activities, False Personating and Trolling pattern that have been going on for the last one year and two months, and her mental status was disclosed as her Response to the prior lawsuit (Case MSc16-00638, 04/07/2016).

Someone else's private life matter that dates 10-20 years ago used to stigmatize my reputation and business by posing it at forefront city website while stealing and converting Pil Lee Orbison's business materials that are private intellectual properties registered at the Copyright Office.

City Council Members, and Lori Martin & David Biggs and City Attorney John Patrick Tang.

The following comment was found at Facebook that is a reaction to ongoing Disgust and hurtful Judy Yamamoto with Stay Away Order Restraining Irdee and ID Theft and Internet password changes daily and Affidavit filed to Comcast and to my attorney to review to file a criminal and civil complaint against Judy Yamamoto, Aka. Judy Soriano @121 Bluebird Court, Hercules, Ca 94547 pretending she lives at Pil's and copies Pil's personal and business emails to monitor Pil Orbison's Security Cameras and she I stress filed as if I was at her house. This projects Judy Yamamoto herself a mental problem using the Restraining Order imposing abusively and falsely against Pil Orbison:

this is UN Deputy Secretary posted this Critical Statement regarding Judy Yamamoto, Judy Soriano's Restraining Order posted on June 30, 2020:

We thank you for the United Nations in addressing our human fundamental rights and the right to ask to respect for wanting to maintain our integrity and dignity. NO HUMAN IS TO BE ABIDED BY RESTRAINING ORDER FOR WANTING TO

PRACTICE ONE's BUSINESS and Right to express own opinion. Judy Yamamoto, Judy Yamamoto Soriano, do not abuse other people's privacy and right to speak via Social Media when contacting you is not allowed by the judge that is opted to be biased against certain race, as THE JAPANESE OPPRESSION IS NOT HEALTHY TO OUR SOCIETY BUT TO DESTROY one's HEALTH AND FREEDOM Of EXPRESSION.
