Hi Lori,

For tonight's Town Hall, please read the following statement in support of Tiffany Grimsley for Council member:

"In the time that I have known Ms. Grimsley, she has demonstrated beyond a doubt that she is a woman of integrity, dedication, and compassion. She is loyal to her family and to the town of Hercules, and I trust her to make the right decisions and choices that are in the best interests of it's residents. Please join me in supporting and electing Tiffany Grimsley for Hercules City Council."

Thank you,

Jim Paladino
