Good evening, Hercules.

I have been a resident in Hercules for 22 years. I've known Celsa Taraya since she joined the Cursillo in 2012. Her leadership showed when she became our Team Leader for four years.

She runs a business of helping people.
She is very good in what she does.

I admire her caring nature and advocacy to serve the poor and less fortunate.
The City Council of Hercules will be lucky to have her. She will lead us to progress.

Vote for her on November 3, 2020.

Sincerely.
