Subject: Tiffany Grimsley - For Hercules City Council
Date: Tuesday, October 27, 2020 3:57:18 PM

To: Lori Martin - City Clerk

I am voting for Tiffany Grimsley because she has shown in several ways the ability, desire and leadership skills to be the woman we need for Hercules City Council. As a resident of Hercules, Tiffany has volunteered and served on school site council where she also served in a classroom as an instructional aid for students with special needs. In her career, she has worked for University of CA for over 15 years and served as the assistant director for MBA admissions of hospital and business. As a member of Hercules City Council, her focus is to build a strong financial future through financial security and stability. Ensuring the safety and security of our community. Building on the strength of our community and protecting our environment. Her importance is to be the voice of Hercules residence...the voice that will matter in our community!

Most importantly, she will definitely add value in putting our Hercules community first!

Sincerely,

Bienvenido (Ben) Ferrer Jr.
