I am a Hercules resident and home owner at 109 Columbine Dr. I support Gerard Boulanger and Dan Romero for re-election to continue our the fiscal reconstruction of Hercules. I just moved here from Richmond Annex 1+ years ago. I lived 1 block from El Cerrito so saw how El Cerrito spent itself into trouble. Today's newspaper speaks to how they have run their budget into the ground.

I have read people's opinions on Facebook & Next Door. They want lots of things but we need to look at what is reasonable.
