To the City of Hercules, for Public Comment

I would like to encourage everyone to vote to re-elect Dan Romero and Gerard Boulanger to the City Council. They have been instrumental in getting the City's budget under control and balanced and we need them to continue this battle. They have also been very effective in getting new businesses to come to Hercules and this will help us with out budget needs. Please re-elect Dan and Gerard so they can continue their great work.

Thank you,

Elza Kavanaugh
