

The image is a screenshot of a web-based map application. The main display is an aerial photograph of a road intersection. A yellow boundary line is drawn on the map, enclosing a parking lot, several buildings, and a portion of the road. The interface includes a search bar at the top left with the text "Find a location". Below the search bar are navigation controls: a home button, a compass, and a scale bar. The scale bar shows distances in feet (50 feet) and meters (20 m). The bottom of the screen displays the coordinates "Lat: 38.01247 Lon: -122.27387" and the Bing logo. The URL in the address bar is "http://maps.digitalmapcentral.com/production/dashboard/8/6/5/City.aspx?SLK=%2fdcl".
