**Subject:** Resignation from County Library Commission

Hi Christopher,

I am writing to inform you and the City Council that I am resigning my appointment to the County library Commission because of a conflict of interest I have now that I am working at the Crockett library. I am only resigning from the county position I fully intend to remain in my city commission position for the remainder of my term. I would like to provide any help I can be in the process of finding a new Commissioner for the County position.

Thanks,

Brian
