Breakfast Club has been a hit since we started the program at the beginning of 2017-18. Breakfast Club features earlier hours (opening at 6:30a), and breakfast options (hot and cold food/drink options available for purchase). Parents (and participants) love the program! Using the Teen Center instead of the schools allowed the City to cut back the number of staff necessary to run the morning and after school programs which also saved the City money.

Lupine	12	1
Hanna	13	0

Kaleidoscope Kidz: Recreation Afterschool Program (or **RAP** for short), is our after school program. After a successful rebranded of the after school program, the focus has become greater on homework, and stations. The stations include P.E. to make sure the kidz are active. RAP focuses on monthly themes that featured a combination of arts and crafts, science, cooking, passive and active games and much more. RAP is held at all 3 elementary sites. The current challenge that we face for all of our programs is our lack of staffing. We have very few spaces available for the Rap program. Two of our Afterschool programs are full with waiting lists.

CITY OF HERCULES
PARKS & RECREATION MONTHLY REPORT
June 2019

Accomplishments/Items in Progress:

- The month of June will be a busy one for the Hanna Kidz Center. The majority of the work will be done on site as part of the Hanna Ranch Improvements project, which is one of the Decision packages the Council approved as part of the 2018-19 Budget.
 - We anticipate the decks to be demolished, dry rot repairs to be completed, a new deck and ramp system constructed between the classrooms and off the back door entrance to the office, painting of the entire facility, and more.
- The next phases are being scheduled. Demo of deck, painting all 5 buildings, and new deck with ramps will all begin to commence after school gets out for summer (6/7/19).
- Phase 1 of the Hanna Ranch Improvements is complete. This is part of Decision Package #19-12. The office ramp was replaced, a door was closed up permanently. Inside, the door opening was turned into a new chalkboard area for the kids in Tiny Tots and RAP.
- Each Kidz Center now has a new Leader III-Director. These two positions were filled by two office assistance II who applied for the positions. Both of these ladies have been working at the Kidz centers for many years. It's worked out great for them and the families that know them so well. We are excited for this great opportunity for them.
- Child Care is enjoying an increase in enrollment for the 2018-19 school year.
 - Lupine has a waiting list. We were able to open an additional class of TK/K.
- The new school year saw an increase in last minute Child Care registration.
 - In August, we had one of our largest months ever with enrollment and revenue.
- Camp Dynamite has been successful this summer. The numbers are comparable to last summer when we increased enrollment, and this is without the 5th graders. We moved the 5th graders into the Teen Camp program to accommodate the youngest age group that exploded this past FY.

- Recreation Coordinator, Austin George took new job with the City of Dixon.

- In September, we completed the installation of the (2) Variable Frequency Drives (or VFD's) on the pool pumps.
