Article 3. Union Security

3.1 Agency Shop

The City shall rely on the certification from the Union to deduct dues and fees from the unit employee paychecks per employee authorizations employees provide the Union to the extent required by law, including but not limited to Government Code Sections 1157.3 and 1157.12. The Union shall not be obligated to provide the City with a copy of an employee's deduction authorization unless a dispute arises about the existence or terms of the authorization.

3.2 Authorization for Payroll Deduction

Upon being furnished with an appropriate form executed by an employee, the City shall deduct from that employee's pay, in the amount stated, contributions to DRIVE (Democratic Republican Independent Voter Education). The Union shall notify the City of the designated amount of dues and fees to be deducted for each unit member, and the City shall deduct the amounts so designated after receiving written certification from the Union that the unit member has provided written authorization to do so. Any request to begin or cancel dues or fee deductions must be made to the Union, and not the City. At the beginning of each month, the Union shall provide the City with a comprehensive updated list of all unit members and the amounts that shall be deducted for their dues and fees.

3.3 Authorization, cancellation or modification of payroll deduction for dues and fees shall be made upon written request and confirmation in writing by the Union. The

City shall direct unit members to the Union if they so request to change or cancel dues or fee deductions. The voluntary payroll deduction authorization for dues and fees shall remain in effect until employment with the City is terminated, unless otherwise directed by the Union.

Payments to the Union shall be made by the 15th day of each month following the month for which the deductions have been made together with a list of the employees for whom deductions have been made. 3.6 Newly Hired Unit Members

To the extent required by Government Code Section 3558, the City shall provide the Union with a list of names and contact information (listed below) for any newly hired unit member within 30 days of the date of hire. The information shall include the following information except for any information subject to exclusion pursuant to Government code Section 6254.3(c):

- Employee name

- Job title
- Department
- Work location
- Home address
- Work, home and personal cellular telephone numbers and personal email addresses on file with the City.

This same information shall be provided every 120 days for all unit employees.

The City agrees that personal contact information of unit employees (e.g., home address, personal phone number, personal email address) is private information not to be disclosed to any private (non-governmental) person or entity, other than the Union, except upon written authorization of the employee. The city further agrees to give the Union prompt notice of requests from any such person or entity for such information, along with a copy of the City's response to such requests.

If a bargaining unit member's first day of work begins less than ten (10) days before the date of the employee orientation, the 10-day notice requirement may be reduced and the City will instead provide as much advance notice as reasonably possible of the orientation meeting.

The City will allow a designated unit Union member representative or an outside labor representative to spend fifteen (15) minutes with the new unit member at the end of the onboarding orientation meeting in order to provide information about the MOU and related matters.

To the extent prohibited by law, the City agrees that it will not disclose the date, time, or place of any such new employee orientation to anyone other than the employees who are to attend the orientation, the Union, or a vendor that is contracted to provide a service for purpose of the orientation.

The Union will be responsible for providing a copy of the current MOU and any Union information to the new employee.

Article 4. Union Representatives

4.1 Attendance at Meetings by Employees

An employee who is the subject of investigatory interview which the employee

reasonably believes may result in discipline, may request and shall be granted the right to have a shop steward or, or if no shop steward is available, a co-worker present during the interview.

4.2 Shop Stewards

The Union may appoint a maximum of six (6) shop stewards. The Union will notify the City of Hercules in writing with the names and any changes to shop stewards. Grievances which may arise and which cannot be adjusted on the job shall be reported to the Union by the steward; provided, however, in no event shall the steward or the Union order any changes, and no changes shall be made except with the consent of the City.

If an aggrieved employee desires the assistance of a steward as provided in the grievance procedure, the City shall afford said steward reasonable time off during work hours without loss of compensation or other benefits to investigate and take up said grievance. The steward shall obtain the approval of their Department Director or designee, before leaving his/her duties or work assignment for the purpose of investigating and/or processing a grievance. Reasonable efforts shall be made to grant such requests; however, they are subject to the operational needs of the City.

4.3 Access to Work Locations

Reasonable access to employee work locations shall be granted to officially designated Union representatives, for the purpose of contacting members of the bargaining union concerning business within the scope of representation.

Any Union representative seeking access to work locations, as a courtesy, will notify the City Manager or his/her designee when reasonable the day before meeting with the time, date, and approximate length of the meeting. Access shall be restricted so as not to interfere with the normal operations of the department or with established or security requirements. Any meetings or discussions with employees shall generally be limited to the employee's time before work, after work, break time or lunch hour unless it is necessary in the resolution of a grievance and approved by the City Manager or his/her designee.

The Union shall designate, in writing to the City Manager, the names of the representatives listed above.

4.4 Bulletin Boards

The Union may provide the City with two bulletin boards with the dimensions of approximately 2'x 3' to be placed by the City in a mutually agreeable location. The Union may use these bulletin boards to post:

- a. Official Notices of Union Meetings;
- b. Official Notices of Union elections and results;

- c. Official Notices of Union appointments;
- d. Official Notices of grievances, resolutions and Union newsletters and bulletins; and
- e. Other Official Union Notices.

At mutually agreeable satellite locations, the Union may provide a clipboard with the above information clipped to it. These clipboards shall be located in break rooms or near logbooks.

4.5 E-Mail Notices

With prior approval of the City Manager or his/her designee, that will not be unreasonably denied, the Union is permitted to send to its members E-Mail notices of Official Union Business as noted in Section 4.4.

4.6 Prior Notice Requirement

The City agrees to notify the Union ten (10) working days in advance of any Policy, Rule, or other change that will have an impact on the bargaining unit. The Union will then respond within ten (10) working days of receipt of Policy, Rule or other change. The first day will be considered as the day notice is received either through an e-mail, fax or letter.

4.7 Meet and Confer in Good Faith

"Meet and confer" or "meeting and conferring" means that duly authorized City representatives and duly authorized representatives of the Union shall have a mutual obligation to meet and confer in good faith regarding specified matters within the scope of representation, in an endeavor to reach tentative agreement. Once a tentative agreement has been reached on any matter requiring ratification or City Council adoption the parties shall recommend ratification by the membership and adoption by the City Council. Nothing herein shall require either party to agree to any proposal or to make concessions.

Article 5. Recruitment

5.1 Recruitment Postings

The City agrees to post all bargaining unit positions internally for ten (10) workdays on the City website, e-mail and appropriate bulletin boards prior to the closing application date. The City encourages all qualified internal candidates to apply for promotional opportunities. The City may, at its discretion, prior to commencing a formal recruitment process for job vacancies, solicit employee interest for the position. At the discretion of the City, it may perform internal recruitments.

Article 6. Salary Plan and Wages

6.1 Manner of Payment

Employees shall be paid every other Friday via direct deposit. Routine paychecks shall be for the purpose of compensating for regular time, overtime, sick leave and vacation hours. Reimbursable expenses shall be paid on a separate check.

Overtime, vacation, and sick leave, shall be processed and paid or reported on the subsequent paycheck.

6.2 Work in a Higher Classification

Eligible employees who are authorized in writing by the department head to work in a higher classification and salary range than their own and who are required to temporarily perform substantial duties and assume the responsibilities of the position will receive out of class pay. To be eligible for out of class pay employees assigned to work in a higher classification must meet the minimum qualifications of the assigned position. Employees will be eligible for work in a higher classification on the first workday in a higher classification.

Compensation for work in a higher class shall be at either five percent (5%) above said employees' existing salary rate or the hourly rate equal to the minimum rate as provided in the salary range for the designated position, whichever is higher. Any out of class work for which premium compensation is provided requires advance written approval by the City Manager or designee.

Employees who are working in a higher classification that is outside the scope of this Agreement shall be covered by the general terms and conditions of employment of the higher classification. All wages, including sick, vacation, comp time and holiday shall be paid at the out of class pay rate.

Two Public Works Maintenance Workers will be designated as "Lead Workers" and will receive 5% additional duties pay.

Additional Duties pay of 5% will be compensated to an employee when an employee assumes limited duties of a higher classification as approved by the City Manager.

6.3 Wages

Employees will receive a 3.5% Cost Of Living Adjustment (COLA), effective September 8, 2019. Additionally, employees will receive a one-time non-PERSable payment of 0.67% of their gross regular annual salary for the 2018/19 fiscal year in-lieu of retroactivity for the time period from July 14, 2019 through September 7, 2019. The 3.5% COLA will be calculated in the normal rates of pay from this date forward.

In recognition of the financial sacrifices made by employees who have participated in wage concessions that enabled the City to successfully navigate times of extreme economic distress, the City will pay a one-time non-PERSable retention payment of 1% of their gross annual salary for the 2018-19 fiscal year.

6.4 Longevity Pay

In recognition of employees' continued service to the City, employees shall be entitled to receive longevity pay after the completion of:

10 years of service:	\$125.00 per month
15 years of service:	\$175.00 per month
20 years of service:	\$225.00 per month
25 years of service:	\$275.00 per month

Longevity pay shall be paid in 24 bi-weekly installments and shall be in addition to any other pay received under this Agreement.

6.5 Education Pay

Upon the approval of the City Manager, education incentive pay shall be paid in addition to regular pay when education is in addition to the minimum requirements of the job specifications in a related field. Proof of higher education must be from an accredited education institution and presented to the Human Resources Department for verification of degrees:

Associates Degree:	\$50.00 per month
Bachelors Degree:	\$100.00 per month
Masters Degree	\$150.00 per month

Education pay shall be paid in 24 bi-weekly installments and shall be in addition to any other pay received under this Agreement.

6.6 Incentive Pay

At the discretion of the Department Director and approval by the City Manager employees may be awarded at any time during the fiscal year incentive pay not to exceed 5% for extraordinary job performance.

Article 7. Hours of Work/Workweek

Standard Workweek: The standard workweek for full-time Teamsters employees shall be thirty-eight (38) hours per week, worked in units of nine and one-half (9.5) hours per day in four (4) consecutive days in a seven (7) day workweek which runs Sunday at midnight through the following Saturday at 11:59 p.m. Overtime for full time Teamsters employees will begin after 38 hours.

When practical or feasible an employee will be given no less than thirty (30) days written notice in advance of a change in their assigned regular workweek or shift schedule. The assignment of work weeks and shifts will be based on seniority provided the employee in the department has the minimum qualifications to perform the work.

7.1 Lunch and Break Periods

The time allowed for an unpaid lunch break shall be a minimum of thirty minutes and no more than one hour throughout the course of the workday.

Full-time employees who are scheduled to work eight or more hours in a day shall be permitted one fifteen minute paid rest period at approximately the middle of the morning, and another fifteen minute paid rest period at approximately the middle of the afternoon. Rest periods shall not be taken at the end of a workday to permit an employee to leave early, nor may rest periods be used at the beginning of a workday to allow an employee to report for work after their regular assigned starting time.

This MOU supersedes all applicable State law and regulations governing meal periods and rest periods.

Article 8. Overtime, Call Back Pay and Premium Pay

8.1 General Overtime

The City's policy is to avoid overtime work whenever possible. Overtime work may be performed, however, if it is approved in advance by the City Manager or Department Director. Such approval shall be provided to the employee within a reasonable time.

Overtime shall be paid at the rate of one and one half (1.5) times the regular hourly rate for all hours worked over 38 in the regular work week for all non-exempt classifications. An employee has the right to convert the overtime pay to compensatory time earned at the same rate as overtime or as straight time when the 38 hours per week requirement is met. Overtime shall be paid at the rate of two (2) times the regular hourly rate of pay for all hours worked over twelve (12) hours in a work day.

In any pay period during which an employee is using approved leave time and "overtime" hours are worked, the employee can elect to reduce leave utilized during that pay period rather than being paid at straight time for anything up to 38 hours. In any work week during which an employee is using pre-scheduled and approved vacation or comp time, these hours are defined as "hours worked".

To the extent practical, overtime work shall be distributed equally among qualified employees insofar as possible based on the minimum qualifications needed for the task and to be done on a rotated basis by department or division as designated by the direct supervisor and approved by the Department Director. Except for Holiday pay, time paid and not worked (e.g. sick leave, vacation, etc.) does not count toward the thirty-eight (38) hours necessary to receive overtime.

8.2 Emergency Premium Pay

In an emergency preparedness situation, as designated by the City Manager or designee, all employees required to work in excess of their regular assigned shift shall receive premium pay at the rate of two (2) times the employee's regular base rate of

pay for all hours worked in excess of assigned shift.

8.3 No Pyramiding

There shall be no pyramiding of overtime. For example, if an employee's work hours qualify for overtime, the same work hours cannot qualify for any other premium pay.

8.4 Standby

The City may, at its sole option, assign employees to standby based upon the needs of the City. Employees on standby must be available to respond to a call within 60 minutes. Employees assigned to standby shall be compensated as follows:

Weekday	\$25.00 per day, plus 2 hours base pay
Weekend	\$35.00 per day, plus 3 hours base pay
Holiday	\$45.00 per day, plus 3 hours base pay

If an employee on standby is called back to work, they shall be compensated under the call back provision.

8.5 Call Back Pay

An employee called to work outside of and not continuous with, their regularly scheduled hours shall be paid a minimum of three (3) hours at the rate of one and one-half (1½) times the employee's hourly pay rate. All work (other than the employee's regularly scheduled work hours) performed under the call back provision shall be compensated at one and one-half (1½) times the hourly rate of pay and two (2) times the hourly pay rate if worked in excess of twelve (12) hours in a work day. Approved and appropriate leave time taken during the employee's regular work schedule prior to or after call-back shall not preclude premium payment during the call back.

8.6 Compensatory Time

An employee may request to receive overtime compensation in the form of accrued compensatory time at time and one-half (1½) charged to his accrual bank if qualified in lieu of overtime pay. Under certain circumstances the City Manager may elect to choose overtime in lieu of compensatory time. An employee may not have more than 240 hours of compensatory time at any time. Requests by an employee for the use of accrued compensatory time shall be subject to the convenience of the City to the extent authorized by law.

Article 9. Uniforms

When the City requires employees to wear a uniform including shirts, pants, vest, hats or other apparel the City will provide the uniform. The City will provide laundering of the uniform through a uniform service company at no cost to the employee.

Non-sworn police employees shall continue to receive a \$500 uniform purchase allowance consistent with Resolution 00-01. Payments shall be made twice a year in July and January.

9.1 Safety Equipment

The City will furnish all safety equipment that is required to perform the task or job at no cost to the employee.

9.1.1 Safety Shoes

The City will provide a reimbursement of up to \$200 per fiscal year for one pair of safety shoes for the following classifications: Building and Code Enforcement Inspectors and Public Works division employee classifications.

Additional classifications may be approved for reimbursement by the department director as deemed necessary.

Article 10. Education/Tuition Reimbursement

There will be a total of \$30,000 allocated to the Education Reimbursement Program for all City employee groups.

Article 11. Holidays

11.1 Proclaimed Holidays

All regular full-time employees shall receive 11 designated holidays plus two floating holidays to be observed during each fiscal year (July 1-June 30). Employees normally scheduled to work on those days will be given the day off with pay provided they are eligible as set forth below. Floating Holidays may not be carried forward from one fiscal year to the next and are not compensable at the time of separation from City service.

- Independence Day
- Labor Day
- Veterans' Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Eve Day
- Christmas Day
- New Year's Day
- Martin Luther King Day
- President's Day
- Memorial Day
- Two Floating Holidays

If any of these Holidays fall on a Sunday, the Monday following shall be observed as the holiday. If any of these Holidays fall on a Saturday, the preceding Thursday shall be observed as the Holiday.

To be eligible for Holiday pay, employees must have worked the workday before and the workday after the Holiday, or be in approved paid leave status the workday before and the work day after the Holiday. Employees on approved vacation or sick leave shall not be charged vacation or sick leave for the Holiday. Full-time employees shall receive nine and one-half (9.5) hours of holiday pay for each holiday.

11.2. Additional Christmas Holidays

For the term of this MOU and consistent with past practice, the majority of the City's offices will continue to be closed during the Christmas week. In lieu of holiday pay, employees who were otherwise eligible for holiday pay described below can select to use any unused, accrued vacation, sick or compensatory time available in order to receive pay for these days. Alternatively, employees can choose to take unpaid leave during these days.

11.3 Pay for Working on a Designated Holiday

An employee who is required by the City to work on a day that is a designated holiday as listed in Section 11.1 shall be paid nine and one-half (9.5) hours of Holiday pay and shall be paid for the hours actually worked on the Holiday at the rate of time and one-half (1½). In lieu of pay for the time worked on the designated Holiday, the employee may add the time worked on the Holiday to their Compensatory Time Off accrual at the rate of time and one-half (1½) times hours actually worked.

Article 12. Leaves of Absence

12.1 Authorized Leaves of Absence without Pay

12.1.1 Requesting Leave

The City Manager may upon the request/recommendation of the Department Director grant an employee an unpaid leave of Absence not to exceed three (3) months. Such leave shall be discretionary and based upon the needs of the City. Employees desiring to take time off without pay who have no leave balances available shall submit a request in writing to their Department Manager. Whenever possible, such requests shall be submitted at least five (5) weeks or 20 working days in advance.

12.1.2 Extension of Leaves

During the period of a Leave of Absence, an employee may request that the leave be extended by submitting a request in writing to their Department Manager stating the reason for the extension. Such a request may be approved or disapproved by the City Manager as described in the above section. No Leaves of Absence exceeding one (1) year will be granted.

12.1.3 Early Return From Leaves of Absence

An employee may request permission from the Department Director to return to work prior to the approved expiration of the leave. Approval of the Department Director and the City Manager for such early returns is discretionary.

12.1.4 Failure to Return to Work from Leave of Absence

Failure of an employee to return to work on the approved date is grounds for disciplinary action up to and including dismissal. (See Article 15).

12.1.5 Benefits During Leaves of Absence

Employees on leaves of absence may continue their medical and insurance benefit coverage by reimbursing the City directly for the amount of the insurance premiums in advance by the 30th day of the preceding month for the subsequent month in which the employee wishes to receive coverage. Should the employee fail to submit payment on a timely basis, the Human Resources Department will send the employee a reminder notice. Coverage in any plan will be dropped if the employee is more than 30 days late in making a premium payment.

12.1.6 Status of Employees on Authorized Leave of Absence

An authorized leave of absence does not represent a break in employment for a regular employee. Such an employee retains all accrued vacation, sick leave, and other rights as exist at the time the leave of absence begins. However, only active full time service shall count towards accumulated seniority or to benefits that accrue according to time of service (including vacation and sick leave). Vacation, sick leave, holiday, and merit step salary increases and/or incentive increases do not accrue to an employee on leave during the period of such leave.

An employee returning from leave of absence returns to the same salary step or relative placement in the pay range existing at the time when the employee returns to work.

Upon the recommendation of the Department Director and at the discretion of the City Manager, a probationary employee who has been granted an authorized leave of absence during the probationary period may be granted an extension of his or her probationary period by written agreement signed by the City Manager and the employee.

12.2 Bereavement Leave

Bereavement Leave of up to 24 hours shall be provided to employees in the event of a death in the immediate family of the employee. In addition to the 24 hours of bereavement leave, employees may use accrued unused vacation or sick leave to extend their bereavement leave up to a total of 40 hours. At the discretion of the City Manager,

additional time may be taken as vacation and/or sick leave or unpaid leave.

The immediate family of an employee is defined as: parents, step-parents, parents-in-law, spouse, domestic partner, child, step-child, brother, sister, grandparents, grandchildren, brother/sister-in-law, son/daughter-in-law, or legal guardian.

In special cases, the City Manager may approve a leave of absence for bereavement in other circumstances.

12.3 Jury Duty

The City provides jury duty leave with pay for all regular full time employees who are called upon to serve for court jury duty according to the following provision:

1. An employee called for jury duty should immediately notify his/her department director by providing the jury summons indicating the date, time, and place.
2. If an employee is dismissed by the Court and three (3) hours or more remain in the workday, the employee is expected to report to work.
3. Employees' compensation for jury duty shall be limited to three (3) months (63 work days). Employees whose jury service is in excess of three (3) months (63 work days) may make a request to the City Manager for continued payment. Employee serving jury duty in excess of the above limit may use accrued unused vacation or Compensatory Time Off to continue pay.

12.4 Military Leave

The City shall comply with all State and Federal requirements regarding military duty leave.

12.5 Pregnancy Disability Leave (PDL)

Employees disabled due to pregnancy may be entitled to a leave of absence for the period of disability up to four months. Employees on PDL may utilize accrued unused sick leave and vacation during the leave period. City shall comply with State and Federal laws.

12.6 Maternity and Paternity Leave

A maximum of five (5) accumulated sick leave days may be granted to an employee whose spouse is disabled due to pregnancy related factors. The five-day maximum leave may be extended at the discretion of the City Manager.

Employees may use accumulated vacation or compensatory time off for purposes of maternity or paternity leave; and thereafter, employees are eligible for an unpaid maternity or paternity leave that extends the total leave, time both paid and unpaid, to three (3) months after the date on which the mother was able to resume her duties.

12.7 School Leave

Any employee who is a parent, guardian or grandparent having legal custody of one or more children in kindergarten or grades 1 through 12 or attending a licensed day care facility shall be allowed up to forty (40) prorated hours each school year, not to exceed eight (8) prorated hours in any calendar month of the school year, without pay, to participate in activities of the school of their child. Such employee must provide reasonable advance notice of the planned absence. The employee may use vacation to cover the absence. The City may require the employee to provide documentation from the school as verification that the employee participated in school activities on a specific date and at a particular time.
