Project/Program: Hanna/Lupine/Ohlone Childcare & Summer Day Camps

Lead Staff: Ambra Garfield, Recreation Manager

Description: Childcare and Camps are a big deal in Hercules. We offer a great before school option called “Breakfast Club”, and an amazing after school program called “Kaleidoscope Kidz: Recreation Afterschool Program (or RAP for short), and fantastic summer camps called “Camp Firecracker” and “Camp Dynamite”.

Camp Dynamite: was held at the Lupine Kidz Center summer 2019 while Hanna Ranch received some much needed attention. Highlights from Summer 2019 include 9 weeks of camp featuring weekly entertainment, field trips, games, cooking, arts and crafts, weekly themes, swimming, Jamin’ Jeanne’s games galore and more. Camp was split in to 2 age groups with Firecrackers (grades K-2nd) and Dynamite (grades 3rd-5th). Dynamite campers went on 4 big field trips along with the Teen Dynamite Camp. Camp averaged between 75-80 campers each week.

- Camp will return to Hanna Ranch Kidz Center in 2020 after a facelift in summer 2019.
- Plans are underway for summer 2020, with more trips and activities.
- We are adding a weekly Camp Sparklers Camp for preschool age campers.

Breakfast Club: features earlier hours (open 6:30am), and breakfast (hot or cold food & drink options - available for purchase). Parents (and participants) love the program for the convenience! This is part of our concierge service to the community. This fall, we opened another site, offering Breakfast Club at Ohlone Community Center. The trend has shown us that we needed more space for Ohlone kids. By opening Ohlone Community Center, we are able to increase the number of participants. It also allows us to stay later at the Breakfast Club site, which is reducing the number of staff needed in the morning.

Kaleidoscope Kidz: Recreation Afterschool Program (or **RAP** for short), is our after school program. After a successful rebranding of the after school program, the focus has become more about homework, and stations. The stations include P.E. to keep the kidz active. RAP focuses on monthly themes that featured a combination of arts and crafts, science, cooking, passive and active games and much more. RAP is held at all 3 elementary sites. The current challenge that we face for all of our programs is our lack of staffing. We have very few spaces available for the Rap program. Two of our Afterschool programs are full with waiting lists.
