

STAFF REPORT TO THE CITY COUNCIL

DATE: Regular Meeting of March 10, 2020

TO: Members of the City Council

SUBMITTED BY: David Biggs, City Manager

SUBJECT: Business License Update

RECOMMENDED ACTION: Receive report, discuss, and provide direction, if any.

FISCAL IMPACT OF RECOMMENDATION: None as a result of this item. The annual revenue generated from the City's existing business license tax is expected to be \$197,000.

DISCUSSION: On September 24, 2019, in response to a request of Council Member Romero, the City Council agreed to have a discussion about the City's business license tax. This item has been prepared in response to that request and is intended to provide background information on the existing business license tax.

The City's existing business license tax dates back to the adoption of Ordinance 221 in 1985. The current code, which incorporates all changes since that initial adoption, is attached (Attachment 1). A survey of business license tax related ordinances shows there have been minor amendments as encapsulated in the current code. The current business license fees are included in the annual Master User Fee Schedule which was last updated on June 25, 2019, and the current business license fees appear on pages 17-18 (Attachment 2).

The business license tax was most recently discussed by the City Council in December, 2018, when the Council received an updated Administrative Policy for the business license tax associated with the implementation of an audit and recommendations which arose out of that process (Attachment 3). In addition, in July, 2017, the Council approved a temporary waiver of the business license tax for Parks & Rec fee class providers and on City Professional Services Contracts (Attachment 4).

Prior revisions included items like redefining the tax year, creating a category for Farmer's Market participants, and imposing delinquency penalties, among others. These staff reports all referred to the revisions having been reviewed by the City Attorney's office and it having been determined that the changes/revisions did not trigger a Proposition 218 voter approval requirement. This is a key factor which the Council needs to take into consideration when discussing possible revisions to the existing business license tax.

Since the existing business license tax ordinance dates back to the 1985, it was adopted prior to Proposition 218, which was enacted by the voters in November 1996. California voters passed Proposition 218, the “Right to Vote on Taxes Act” as a state constitutional amendment to protect taxpayers by limiting the methods by which local governments can create or increase taxes, fees and charges without taxpayer consent. Certain types of changes or revisions to the existing business license tax could trigger the requirement for voter approval. Any change which may be considered an increase, as discussed further in the attached excerpt from a League of California Cities Proposition 26 and 218 Implementation Guide (Attachment5), would require voter approval. As such, any potential changes or revisions under consideration should be reviewed with the City Attorney in regard to the requirements of Prop 218.

STAFF REPORT TO THE CITY COUNCIL

DATE: Regular Meeting of December 11, 2018

TO: Members of the City Council

SUBMITTED BY: Patrick Tang, City Attorney

SUBJECT: Business License Tax Administrative Policy

RECOMMENDED ACTION:

Informational Only, no action is required by the City Council at this time.

FISCAL IMPACT OF RECOMMENDATION:

Unknown at this time. The audit is expected to result in additional revenue to the City.

DISCUSSION:

Recently the City contracted with Avenu to administer the Business Licenses on an on-going basis and conduct audits in compliance with the Business License Tax Ordinance which is set forth in Chapter 6 of the Municipal Code. Several questions were raised by Avenu regarding the implementation of the Business License Tax Ordinance which have been reviewed by staff in consultation with the City Attorney's Office. In response to Avenu and in order to provide guidance to staff, the points of clarification have been incorporated into the attached Administrative Policy promulgated by the City Manager.

A key component of the Administrative Policy is an amnesty option that would allow the Finance Director or his or her designee to waive penalties and past business license taxes owed if a noncompliant business secures a business license within 180 days of being notified.

I. PURPOSE

To clarify how business licenses will be handled under Chapter 6 of the Municipal Code – Business License Tax.

II. POLICY

A. Periodic Audits:

1. The Finance Director shall arrange for periodic audits by a qualified contractor to determine compliance with the Business License Tax Ordinance.
2. Such audits may include discovery of businesses without licenses.
3. For the 2018 audit and any subsequent audit thereafter, whenever an audit results in discovery of a business without a license, or a business without a license otherwise becomes known to the City, the Finance Director or his/her designee may grant an amnesty to waive payment of penalties and past due business license tax amounts owed, provided that the business acquires a license within 180 days of notification of the amount due.
4. Audits for compliance may go back three (3) years, as provided by law.

B. Licenses Required for all Rental Units:

STAFF REPORT TO THE CITY COUNCIL

DATE: Regular Meeting of July 25, 2017

TO: Members of the City Council

SUBMITTED BY: Christopher Roke, Parks & Recreation Director
Annie To, Finance Director

SUBJECT: Resolution Adopting a Temporary Waiver of Business Licenses for Fee Class Contractors and City Professional Service Contracts

RECOMMENDED ACTION:

Approve a Resolution Establishing a Temporary Waiver of Business Licenses for Fee Class Contractors (up to \$20,000 per year in value) and City Professional Services Contractors.

COMMISSION/SUBCOMMITTEE ACTION AND RECOMMENDATION:

N/A

FISCAL IMPACT OF RECOMMENDATION:

While the City is able to collect money on the requirement to obtain a Business License for Fee Contract Class Contractors, it is losing money overall due to the paperwork and cost. In addition, some contractors are choosing to no longer do business with the City. Recommended changes to the City's Municipal Code for Business License fees will help the department attract and retain quality Fee Class Contractors which in turn will help generate more revenue and reduce the overall deficit in Parks and Recreation Department.

The City's standard professional services contracts require the vendor to secure a business license. However, the cost of the business license is a reimbursable expense. As such, the current process does not result in additional revenue.

DISCUSSION:

The Parks & Recreation Department has identified that our ability to secure Fee Class Contractors is being impacted by the requirement that the contractors secure a business license. As a result, there are less options available to the community for these types of offerings, as contractors sometimes decline to provide services to the City due to the paperwork and expense required to comply with the business license requirements. This also means that the Parks & Recreation Department is losing out on revenue generating programs. For those contractors that are starting out, or those that are earning a minimal amount of money, it is not worth it to offer classes. Some of the bigger Fee Class Contractors are choosing not to return or have already left because of the costs associated with the requirements to purchase a business license and to provide insurance.

In a recent survey regarding the requirement to obtain a Business License to teach a Fee Class for the community, here is a list of what others are doing.

- Cities that require a business license include Alameda, Fremont, Hayward (HARD), Dublin and Union City.
- Cities that only require a business license under special circumstances include Danville, El Cerrito, Oakley and Richmond.
- Cities that do not require a business license include Concord, Kensington, Martinez, Moraga and San Leandro.

The following is a list of cities that have special circumstances, and what those circumstances are:

- Danville: Fee Class Contractors only pay for a business license if they make over \$10,000 in a fiscal year. If they make less than \$10,000, they complete an exemption form.
- El Cerrito: Fee Class Contractors agree to purchase a City business license if the Contractor's total payment exceeds \$8,500 in a fiscal year (July 1 – June 30).
- Oakley: Fee Class Contractors are required to obtain a business license, but they have a fee exemption for businesses that make under \$20K/year. **All** of their Fee Class Contractors fall in this category.
 - However there is a \$1 state fee that is not waived. So their Fee Class Contractors pay \$1 annually for a business license.
- Richmond: Fee Class Contractors only pay for a business license if they make more than \$5,000 a year.

Most of our Fee Class Contractors here in Hercules do not make more than \$5,000 annually, as such a pilot temporary waiver program is recommended for the Fee Class Contractors and for City Professional Services Contractors.

The City is currently in the process of contracting out the administration and processing of business licenses. Once the vendor for that program is selected, it is anticipated that they will also identify needed or desirable changes and updates to our business license ordinance. The pilot temporary waiver program would be reviewed as part of this effort and if effective and desirable, could then be codified into whatever global changes are recommended.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HERCULES
AUTHORIZING THE TEMPORARY SUSPENSION AND/OR WAIVER OF BUSINESS
LICENSE TAX REQUIREMENTS FOR ENTITIES PROVIDING FEE CLASS
INSTRUCTION THROUGH THE PARKS AND RECREATION DEPARTMENT AND
CONTRACTORS PROVIDING PROFESSIONAL SERVICES TO THE CITY**

WHEREAS, the City's current Business License Tax requirements, codified in the Hercules Municipal Code at Title 8, Chapter 6, calls for payment of a business license fee on an annual basis; and

WHEREAS, the application of business license requirements creates an unnecessary burden on the City's administrative staff; and

WHEREAS, the business license compliance requirements create a disincentive for small businesses providing instructional and educational services and contractors doing business with the City of Hercules; and

WHEREAS, granting staff the authority to suspend and/or waive on a temporary one year basis the business license requirements for Fee Class Contractors who provide instructional and educational services and that earn less than \$20,000 a year, and contractors doing business with the City of Hercules, is in the best interests of the City as it will reduce the compliance burden on staff and make it easier for contractors and service providers to do business with the City; and

WHEREAS, the City is currently in the process of evaluating the contracting out of the administration and processing of business licenses, and the temporary suspension and/or waiver would be reviewed as part of this effort and could be codified into whatever global changes to the City's Business License Program are recommended.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Hercules that effective immediately upon passage and for a period of one (1) year thereafter, the City Manager is granted the authority to allow staff to grant the suspension and/or waiver of business license requirements for Fee Class Contractors that earn less than \$20,000 and contractors providing professional services to the City.

III. Voting Requirements for Special and General Taxes

Section 2 of Article XIII C provides that a local agency cannot “impose, extend or increase” any general tax unless and until that tax is submitted to the electorate and approved by a majority vote, nor any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote. Similarly, Sections 54722 and 53723 of the California Government Code, which were enacted in 1986 by Proposition 62, a statutory initiative inapplicable to charter cities (*Trader Sports, Inc. v. City of San Leandro* (2001) 93 Cal.App.4th 37, 49), require such approval to “impose” any general or special tax. The voter approval requirement for special taxes dates back to 1978’s Proposition 13 in 1977, by which the voters enacted section 4 of article XIII A of the California Constitution to require two-thirds voter approval to “impose” any special tax.

Since the voters approved Proposition 218 in 1996, the California courts and the Proposition 218 Omnibus Implementation Act, Government Code sections 53750–53758, have supplied guidance on what it means to “impose, extend or increase” a tax.

A. Impose

“Impose means” a local agency’s initial enactment of a tax. At least for purposes of determining the application of the statute of limitations of Code of Civil Procedure section 338, subdivision (a) [three years for liability arising from statute], “impose” also means “continue to impose” or the continued collection of a tax. (*Howard Jarvis Taxpayers v. La Habra* (2001) 25 Cal 4th 809, 823–824; but see *Barratt American, Inc. v. City of Rancho Cucamonga* (2005) 37 Cal.4th 685, 702–703 [time to challenge development impact fee under Gov. Code, § 66022 runs from adoption, not collection, of fee].) A local agency does not “impose” a tax within the meaning of Proposition 218 when it applies an existing tax to newly annexed territory, within which the tax did not previously apply. (*Citizens Assn. of Sunset Beach v. Orange County LAFCO* (2012) 209 Cal. App. 4th 1182, 1195 [Prop. 218 did not displace similar ruling of *Metropolitan Water District v. Dorff* (1979) 98 Cal.App.3d 109 under Prop. 13 because its provisions are silent as to annexation].) In contrast, a local agency does “impose” a tax within the meaning of Proposition 218 when it applies an existing tax to a new category of taxpayers who the local agency previously did not tax. (Gov. Code, § 53750, subd. (h)(1)(B) [Prop. 218 Omnibus Implementation Act of 1997].)

Some have also questioned whether a local government “imposes” a tax that originates from an initiative, rather than from a proposal of the local legislature. *California Cannabis Coalition v. City of Upland* (2017) 3 Cal.5th 924, 936–945, held that Proposition 218’s requirement that voters approve general taxes at regularly scheduled elections does not apply to citizen-sponsored tax initiatives, construing “local agency” as used in the measure to include only government officials. The court’s analysis, however, can be read to suggest that such citizen-sponsored taxes are not “imposed” by local government at all and, as a result, arguably do not trigger any part of Proposition 218. (*id.* at pp. 939–940.) As a result, some commentators have suggested that citizens could, for example, sponsor a special tax without triggering the 2/3-vote requirement. Until some further decision by a California appellate court, however, the most conservative reading of *California Cannabis Coalition* is a narrow one, limited to the specific question it resolved.

B. Extend

Government Code section 53750, subdivision (e) provides that a tax has been extended if there is “a decision by an agency to extend the stated effective period of the tax ..., including but not limited to, amendment or removal of a sunset provision or expiration date.” Extending a sunset date or effective period for a tax requires voter approval under article XIII C, section 2, subdivision (c). (*White v. State of California* (2001) 88 Cal.App.4th 298, 316 (“[T]he prohibition against extending taxes without a vote means a prohibition against extending the imposition of a tax for a continued time period.”).) However, application of taxes, assessments, and fees to newly annexed territory does not “extend” them within the meaning of Proposition 218. (*Citizens Assn. of Sunset Beach v. Orange County LAFCO* (2012) 209 Cal. App. 4th 1182, 1195 [“[E]xtend’ is normally thought of in terms of time, not geographic areas, particularly in the context of taxation.”].)

C. Increase

Government Code section 53750, subdivision (h)(1) provides that a local government “increases” a tax when it does either of the following: “[i]ncreases any applicable rate used to calculate the tax ... [or] [r]evises the methodology by which the tax ... is calculated, if that revision results in an increased amount being levied on any person or parcel.” “A tax is increased if the math behind it is altered so that either a larger tax rate or a larger tax base is part of the calculation.” (*AB Cellular LA, LLC v City of Los Angeles* (2007) 150 Cal.App.4th 747, 763.) A “methodology, under section 53750, refers to a mathematical equation for calculating taxes that is officially sanctioned by a local taxing entity.” (*Id.*) A local government increases a tax within the meaning of Proposition 218 if it revises its methodology due to external factors, such as a change in federal law. (See *id.* [federal statute eliminating Commerce Clause prohibition on taxing all cellular services did not authorize the city to tax cellular services not previously taxed without voter approval].)

A tax “shall not be deemed to have been increased if it is imposed at a rate not higher than the maximum rate so approved [by voters].” (Cal. Const., art XIII C, § 2, subd. (b).) Similarly, Government Code section 53750, subdivision (h)(2) provides that a tax is not “increased” if a local agency does either of the following: “[a]djusts the amount of a tax ... in accordance with a schedule of adjustments, including a clearly defined formula for inflation adjustment that was adopted by the agency prior to November 6, 1996 [or] [i]mplements or collects a previously approved tax ... so long as the rate is not increased beyond the level previously approved by the agency, and the methodology previously approved by the agency is not revised so as to result in an increase in the amount being levied on any person or parcel.”

Government Code section 53739 authorizes a local agency to submit a tax measure to the voters to approve a range of rates or amounts and to approve a clearly identified formula for inflation adjustments of a tax. However, when a tax is measured as a percentage — such as a percentage of a utility charge or of a hotel room rent — it cannot include an inflation adjustment. For example, a business license tax imposed at a rate of 0.1 percent of gross receipts cannot include an inflation adjustment because it is imposed as a percentage. Such taxes are self-inflating as the tax base rises with inflation, so there is no need to inflate the tax rate, too. In contrast, a business license tax imposed at a flat rate of \$20 per employee can include an inflation adjustment.

Subsequent increases in a tax in accordance with a voter-approved measure do not require further voter approval. (Gov. Code, § 53739, subd. (a).) In addition, a local agency “can enforce less of a local tax than is due under a voter approved methodology, or a grandfathered methodology, and later enforce the full amount of the local tax due under that methodology without transgressing Proposition 218.” (*AB Cellular LA, LLC v City of Los Angeles* (2007) 150 Cal App. 4th 747, 764.)

► PRACTICE TIP:

If a local agency decides to collect a previously approved tax at a rate lower than was authorized by the voters, the documentation lowering the tax should be very clear that the reduction is temporary and that there is no “increase,” which requires voter approval, when the rate is restored. This can be accomplished by adopting the tax reduction by a resolution that has a stated expiration date. The reduction can then expire without any further legislative action that can be characterized as a tax “increase.” That expiration date can later be extended while still preserving this defense to a claim that the end of the tax reduction is an increase.

Finally, a local agency does not increase a tax if “higher payments are attributable to events other than an increased rate or revised methodology, such as a change in the density, intensity, or nature of the use of land.” (Gov. Code, § 53750, subd. (h) (3).) Further, a local agency has not increased a tax by applying an existing tax to newly annexed territory (*Citizens Assn. of Sunset Beach v. Orange County LAFCO* (2012) 209 Cal. App. 4th 1182, 1195) or receiving increased rate revenue from wholesale customers and not retail rate payers (*Webb v. City of Riverside* (2018) 23 Cal.App.5th 244, 260). Nor does a transfer of funds previously collected that has no effect on rates constitute an increase. (*Id.* at 258-259.)
