File #: 19-567, Version: 1

Consider Adopting Additional Restrictions to Limit Smoking in Common Areas of Multi-Unit Residences, and to Prohibit Smoking Inside Dwelling Units in any Multi-Unit Residence Comprised of Ten (10) or More Units

Recommendation: Conduct a public hearing, waive the first reading, and introduce an Ordinance to adopt additional restrictions on smoking in common areas of multi-unit residences, and to prohibit smoking inside dwelling units in any multi-unit residence comprised of ten (10) or more units.
